Subject: Approval of Reclamation Surety Calculations, Staker and Parson Companies, Lehi Peck Quarry, M/049/0031, Utah County, Utah

Dear Mr. Dalley:

The Division of Oil, Gas and Mining has completed a review of the amended surety calculations submitted September 17, 2012. The Division has determined that the revised calculations are acceptable to represent third party costs of reclamation of your operations. At this point, the Division now asks that you increase the reclamation surety for the Lehi Peck Quarry to the indicated amount of \$1,541,000.00. This is an increase of \$1,084,700.00. This can be done by providing a rider to the current surety, or providing an additional surety instrument. Please contact Penny Berry, bonding coordinator, by e mail at pennyberry@utah.gov, or by telephone at 801-538-5291 to obtain the proper forms. She can also assist you with the reclamation contract which will need to be amended. Please provide the increased surety amount by March 15, 2013.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Paul Baker
Minerals Program Manager
